## Investing In The Future of Llano Christian Academy

As Llano Christian Academy starts our thirteenth year in Llano County, we continue to be amazed at what the Lord is doing for us as we seek His will. We are asking the following of you as we travel this road together:

Pray that God will continue to direct our path as we serve Llano and surrounding counties. We always look with great anticipation at the students He brings us. Some are seeking a different kind of education, such as a low teacher/student ratios, individualized learning, a Monday through Thursday school week, dual credit classes through Central Texas College and/or the college preparation curriculum with a Biblical worldview. We have the desire to educate every child who walks through our front door to be successful in this world.

Support the students who can not afford to attend LCA. The LCA Board has made the decision to keep the tuition at an affordable level. In doing this, we need help for those families in need. Would you support a child with a monthly tuition payment? In doing this you will be giving from your heart to pour love into the life of a child. What a blessing!

**Thank you so much for your support!**
