

Dear Friends,

Happy New Year to all our donors, parents and patrons who we have not seen lately! 2020 promises to be an especially exciting year at Llano Christian Academy. In two short months we will have completed nine years in Llano. The 2020-2021 school begins our tenth year of existence. Yes, we are excited that our Lord and Savior has walked with us every step of this journey.

As of today we have 71 students, PreKindergarten through twelfth grades. We will have three graduating seniors - Adrian Blackmon, Mikayla Clancey and Jacob Minter. Out of these three students, one will enter the military, one will enter the job market and one will be preparing to be a first responder. To say we are proud of them is an understatement. We are excited to turn young people out into this world who love the Lord and possess a strong work ethic. Please say a prayer for our seniors as they complete their school year. Graduation will be at First Baptist Church on Friday, May 22nd, at 6:00pm.

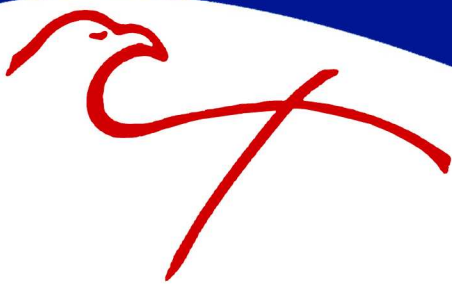

Please mark your calendar for the 10th Annual Community Banquet on September 26, 2020 at the Kuykendall Center. We have started taking sponsorship for table. If you are interested in sponsoring a table, please contact Dr. Smith at 325-247-4942. Every year the banquets are enjoyed by community members, sponsors, parents and donors. An enjoyable evening for everyone. Tickets will start be distributed on the first day of 2020-2021 school year.

Two exciting additions to the Llano Christian Academy offerings will be Independent Studies for High School students and a new soccer field. The Independent Studies program will allow our high school students to pursue interests tailored to their individual interests. After many conversations, the students convinced us that we need to offer soccer at LCA so the field is being prepared now. We certainly want to do everything to foster the minds, bodies and souls of our students.

We wish each of you an amazing 2020. May our Lord bless you beyond measure...

Sincerely,
Dr. Alice Smith

"As surely as the sun rises, He will appear; He will come to us like the winter rains, like the spring rains that water the earth." - Hosea 6:3
